

Errata

In the article by Watine J, entitled "Further Comments on *Prognostic Factors of Small-Cell Lung Cancer in Okayama Lung Cancer Study Group Trials. How About a More Precise Laboratory Technique?*", which appeared in the April 1999 issue, Vol. 53, No. 2, pp99-101, a correction should be noted in the last line of the first column on page 99. The word 'much' should be replaced by 'such'.
